

REMARKS

Separately submitted are the formal drawings for this application. It was found that the display screen shown on Fig. 2 as filed could not be adequately fit on a single sheet because the text would be too small for easy viewing. Accordingly, the formal drawings include Fig. 2 on two sheets. The amendment to the specification herein merely adds reference to Figs. 2a and 2b (presented on separate sheets) as comprising Fig. 2 to eliminate any confusion which might otherwise arise from this presentation of that display.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,
CLARK & MORTIMER
